

Job Announcement

Wastewater Treatment Plant Supervisor

The City of St. Gabriel is accepting applications for the position of Wastewater Treatment Plant Supervisor. This is a full-time non-exempt position.

Job Summary

Under general direction of the Public Services Director, plan and supervise the operation and maintenance of a grade IV wastewater treatment plant, including supervision of operators and performs related work as assigned.

Physical Demands

Moderate to heavy physical demands, including lifting (75 lbs.), walking (10+ miles daily), climbing and mechanical repair.

Education and Experience:

Education equivalent to completion of the twelfth grade, with additional specialized training in wastewater treatment operations or a related field. Requires five (5) years of increasingly responsible experience in wastewater treatment plant operation, including one (1) year of supervisory or lead responsibility. Currently holds a Class 3 Sewer Operator Certification per state regulation, with the ability to achieve Class 4 Sewer Operator Certification, within one year of employment.

Necessary Special Requirements:

Possession of a valid Louisiana Wastewater Treatment Plant Operator Certificate as issued through procedures established by the Louisiana State Water Resource Control Board. Copy of Certificate must be attached to application in order to be considered.

The City of Saint Gabriel considers all applicants without regard to race, color, national origin, religion or creed, gender, disability, marital status, familial status, age, sexual orientation and gender identity. All candidates are encouraged to apply. Interested candidates should submit their resume to:
